

OrganicMix

Commercial

3613M

As the world moves towards a more sustainable future, there is an ever increasing demand for professional grade products that provide quality performance while also having a limited impact on the environment.

Commercial Organic Mix from Australian Growing Solutions has been specifically developed for use in professional growing environments where a certified organic material is required.

- ✓ Certified organic
- ✓ For use as Potting mix, compost or mulch
- ✓ Free of contamination
- ✓ Professional quality

Setting the Standards

EcoHort Certified

Whether you require a growing media for food or ornamental production, a compost to improve existing soils or a mulch for gardens, grape vines or orchards, AGS Commercial Organic Mix is the perfect solution.

With NAASA certification and the expert backing of a quality assurance laboratory, AGS Commercial Organic Mix is the obvious choice for the environmentally sustainable businesses of today and tomorrow.
